Independent Accountants' Review Report

To the Board of Directors of Advanced Ceramic X Corporation:

Introduction

We have reviewed the accompanying balance sheets of the Advanced Ceramic X Corporation of September 30, 2026 and 2025, and the related statements of comprehensive income for the three and nine months ended September 30, 2026 and 2025, changes in equity and cash flows for the nine months ended September 30, 2026 and 2025, and notes to the financial statements, including a summary of significant accounting policies. Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standards ("IASs") 34, "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Our responsibility is to express a conclusion on the financial statements based on our review.

Scope of Review

We conducted our reviews in accordance with Standards of Review Engagements NO. 2410, "Review of Financial Information Performed by the Independent Auditor of the Entity" of the Republic of China. A review of the financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing of the Republic of China and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our reviews, nothing has come to our attention that causes us to believe that the accompanying financial statements do not present fairly, in all material respects, the financial position of the Company as of September 30, 2026 and 2025, and of its financial performance for the three and nine months ended September 30, 2026 and 2025, and its cash flows for the nine months ended September 30, 2026 and 2025 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Accounting Standard 34 "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

The engagement partners on the reviews resulting in this independent auditors' review report are Lu, Chien-Hui and Cheng, An-Chin.

Notice to Readers

The accompanying financial statements are intended only to present the financial position, financial performance, and cash flows in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards, International Accounting Standards, interpretations as well as related guidance endorsed by the Financial Supervisory Commission of the Republic of China. The standards, procedures and practices to review such financial statements are those generally accepted and applied in the Republic of China.

The independent auditors' review report and the accompanying financial statements are the English translation of the Chinese version prepared and used in the Republic of China. If there is any conflict between, or any difference in the interpretation of the English version and Chinese version, the Chinese-language independent auditors' review report and financial statements shall prevail.

Advanced Ceramic X Corporation
Notes to Financial Statements
September 30, 2026 and 2025
(Expressed in Thousands of New Taiwan Dollars, Unless Otherwise Specified)

1. Company history

Advanced Ceramic X Corporation ("the Company") was incorporated in April 15, 1998 as a company limited by shares and registered under the Company Act of the Republic of China (R.O.C.). The address of the Company's registered office is No.165, Hanyang Road, Hsinchu Industrial District, Hsinchu Hsien, Taiwan. The major business activities of the Company are the design, manufacture and sale of RF Front-End devices and modules for applications in wireless communication.

2. The authorization of financial statements

These financial statements were authorized for issuance by the Audit Committee and Board of Directors of the Company on October 27, 2026.

3. Application of new standards, amendments and interpretations

(1)The impact of adoption of new, revised or amended standards and interpretations endorsed by the Financial Supervisory Commission, R.O.C. ("FSC")

The Company has initially adopted the following new amendments, which do not have a significant impact on its financial statements, from January 1, 2026：

- IFRS 17 " Insurance Contracts" and amendments to IFRS 17 " Insurance Contracts".
- Amendments to IFRS 9 and IFRS 7 "Amendments to Financial Instruments: Classification and Measurement".
- Annual Improvements to IFRS Accounting Standards
- Amendments to IFRS 9 and IFRS 7 "Contracts Referencing Nature-dependent Electricity"

(2) The impact of IFRS issued by IASB but not yet endorsed by the FSC

The Company has evaluated that the adoption of the following newly amended IFRS effective from January 1, 2027, will not have a significant impact on the financial statements.

- IFRS 19 "Subsidiaries without Public Accountability: Disclosures" and amendments to IFRS19 "Subsidiaries without Public Accountability: Disclosures".
- Amendments to IFRS 21 "Translation to a Hyperinflationary Presentation Currency"

A.IFRS 18 "Presentation and Disclosure in Financial Statements"

The new standard introduces three categories of income and expenses, two income statement subtotals and one single note on management performance measures. The three amendments, combined with enhanced guidance on how to disaggregate information, set the stage for better and more consistent information for users, and will affect all the entities.

- A more structured income statement: under current standards, companies use different formats to present their results, making it difficult for investors to compare financial performance across companies. The new standard promotes a more structured income statement, introducing a newly defined 'operating profit' subtotal and a requirement for all income and expenses to be allocated between three new distinct categories based on a company' s main business activities.
- Management performance measures (MPMs): the new standard introduces a definition for management performance measures, and requires companies to explain in a single note to the financial statements why the measure provides useful information, how it is calculated and

reconcile it to an amount determined under IFRS Accounting Standards.

- Greater disaggregation of information: the new standard includes enhanced guidance on how companies group information in the financial statements. This includes guidance on whether information is included in the primary financial statements or is further disaggregated in the notes.

IAS 7 "Statement of Cash Flows" has been revised in alignment with the new standards, requiring companies using the indirect method to report cash flows from operating activities to begin with the newly defined subtotal of "operating profit or loss".Due to the adoption of a new starting point, some adjustment items included in the reconciliation will change. In addition, the accompanying amendments also provide specific guidance on the classification of cash receipts and payments for interest and dividends.

B. Amendments to IAS 28 “Fair Value Option for Investments in Associates and Joint Ventures”

The Company has evaluated that the adoption of these newly amended standards will not have a significant impact on the financial statements.

(3) Standards and interpretations issued by IASB but not yet endorsed by the FSC

The Company does not expect the following other new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its financial statements.

- Amendments to IFRS 10 and IAS 28 “Sale or Contribution of Assets Between an Investor and Associate or Joint Venture”
- IFRS 20 “Regulatory Assets and Regulatory Liabilities”

4. Summary of significant accounting policies

(1) Statement of compliance

The financial statements are the English translation of the Chinese version prepared and used in the Republic of China. If there is any conflict between, or any difference in the interpretation of the English and Chinese language financial statements, the Chinese version shall prevail.

The accompanying financial statements have been prepared in accordance with the revised Regulation Governing the Preparation of Financial Reports by Securities Issuers in the Republic of China (hereinafter referred to the Regulations) and the guideline of IAS 34 "Interim Financial Reporting", as endorsed and issued into effect by the FSC. The financial statements do not present all the disclosures required for a complete set of annual financial statements prepared under the IFRSs endorsed by the FSC with effective dates.

Except for the following accounting policies, the significant accounting policies adopted in the interim financial statements is the same as these in the financial statements for the year ended December 31, 2025. For the related information, please refer to note 4 of the financial statements for the year ended December 31, 2025.

(2) Employee benefits

Pension cost for an interim period is calculated on a year-to-date basis by using the actuarially determined pension cost rate at the end of the prior financial year, adjusted for significant market fluctuations since that time and for significant curtailments, settlements, or other significant one-off events.

(3) Income taxes

Income tax expense in the financial statements is measured and disclosed according to paragraph B12 of IAS 34 "Interim Financial Reporting."

Income tax expense for the period is best estimated by multiplying pretax income for the interim reporting period by the effective annual tax rate as forecasted by management. It is charged to profit or loss an income tax expense.

Temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and their respective tax bases are measured based on the tax rates that have been enacted or substantively enacted at the time the asset or liability is recovered or settled, and recognized directly in equity or other comprehensive income as tax expense.

5. Significant accounting assumptions and judgments and major sources of estimation uncertainty

The preparation of the financial statements in conformity with Regulations and IAS 34 "Interim Financial Reporting" endorsed by FSC requires management to make judgments, and estimates about the future, including climate-related risks and opportunities, that affect the application of the accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The preparation of the financial statements, estimates and underlying assumptions are reviewed on an ongoing basis which are in conformity with the financial statements for the year ended December 31, 2025. For the related information, please refer to note 5 of the financial statements for the year ended December 31, 2025.

6. Explanation of significant accounts

Except for the following disclosure, the significant account disclosure in the financial statements for the nine months ended September 30, 2026, which compare with the financial statements for the year ended December 31, 2025, was not changed significantly. For the related information, please refer to note 6 of the financial statements for the year ended December 31, 2025.

The Company applies the simplified approach to provide for its loss allowance used for expected credit losses, which permit the use of lifetime expected loss provision for all receivables. To measure the expected credit losses, notes and accounts receivable have been grouped based on shared credit risk characteristics and days past due, as well as incorporate forward looking information.

The loss allowance provision was determined as follows:

	September 30, 2026		
	Gross carrying amount	Weighted-average expected loss rate	Lifetime expected credit loss allowance

B. Retained earnings

According to the amendment of Articles of Incorporation, current year’s earnings, if any, shall be distributed in the following order:

(a) Payment of taxes.
(b) Making up loss for preceding years.
(c) Setting aside 10% for legal reserve, except for when accumulated legal reserve has reached the total paid-up capital.
(d) Appropriating or reversing special reserve by government officials or other regulations.
(e) The remaining, plus the previous year’s unappropriated earnings, shall be distributed according to the distribution plan proposed by the Board of Directors according to the dividend policy and submitted to the stockholders’ meeting for approval.

The Company conducts business to operate in its growth phase, the dividend policy shall be determined pursuant to factors such as the investment environment, capital requirements, domestic and overseas competitive environment and capital budget, as well as stockholders’ interest, dividend balance and long-term financial plan. The Board of Directors shall propose the distribution plan and submit it to the stockholders’ meeting every year. The cash portion of the dividend, which may be in the form of cash and stock, shall not be less than 10% of the total dividend distributed during the year.

C. Legal reserve

When a company incurs no loss, it may, in pursuant to a resolution to be adopted by a shareholders’ meeting, distribute its legal reserve by issuing new shares or by cash. Only 10% of legal reserve which exceeds 25% of the paid-in capital may be distributed.

D. Special reserve

According to the regulations of the FSC, a portion of current period earnings and undistributed prior period earnings shall be reclassified as special earnings reserve during earnings distribution. The amount to be reclassified should be equal to the net debit balance of other components of the shareholders' equity adoption. Similarly, a portion of undistributed prior period earnings shall be reclassified as special earnings reserve to account for cumulative changes to the debit balance of other shareholders’ equity pertaining to prior periods. For the subsequent decrease in the deduction amount to shareholders' equity, any special reserve appropriated may be reserved to the extent that the net debit balance reverses.

For details on trade receivables and allowance for impairment, please refer to note 6(2) and 7(2).

The contract liabilities primarily relate to the advance consideration received from customers for the RF Front-End devices and modules sales contracts, for which revenue is recognized when products are delivered to customers. The amount of revenue recognized for the nine months ended September 30, 2026 and 2025 that was included in the contract liabilities balance at the beginning for the period were $9,408 thousand and $7,593 thousand, respectively.

(12) Remuneration of employees and directors

On June 11, 2025, the Company's shareholders approved an amendment to the Articles of Incorporation. In accordance with the amended Articles, if the Company earns profits in any given fiscal year, it shall allocate no more than 1.5% of such profits as remuneration to directors and no less than 5% as employee compensation. (Of the total amount of employee compensation, no less than 15% shall be distributed to non-managerial employees.)

If the Company has accumulated losses, the amount necessary to offset such losses shall first be retained before making the aforementioned allocations. For the purpose of the above calculation, profits refer to the income before tax and before the deduction of directors' remuneration and employee compensation. Employee compensation may be distributed in the form of shares or cash, and the recipients may include employees of the Company's subsidiaries who meet certain eligibility requirements.

The Company estimated its employees' and directors' remuneration as follows:

	Three months ended September 30		Nine months ended September 30	
	2026	2025	2026	2025
Employees' remuneration	**$ 8,272**	**5,081**	**21,180**	**32,798**
Directors' remuneration	**$ 2,481**	**1,525**	**6,353**	**4,499**

The estimated amounts mentioned above are calculated based on the net profit before tax, excluding the remuneration to employees and directors of each period, multiplied by the percentage of remuneration to employees and directors as specified in the Company's Articles of Incorporation. These remunerations were included in the operating costs or operating expenses of the nine months ended September 30, 2026 and 2025. The differences between the actual distributed amounts as determined by the Board of Directors and those recognized in the financial statements, if any, shall be accounted for as changes in accounting estimated and recognized in profit or loss in the following year. If remuneration to employees is resolved to be distributed in stock, the number of shares is determined by dividing the amount of remuneration by the closing price of the shares on the day preceding the Board of Directors.

Remuneration to employees for 2025 in the amounts of $37,132 thousand, and remuneration to director for 2025 in the amounts of $5,799 thousand, in cash for payment has been approved in the meeting of Board of Directors. The aforementioned approved amounts are the same as the amounts charged against earnings of 2025. The information about the Company’s remuneration to employees and directors is available at the Market Observation Post System website.

(14) Financial instruments

Except for the following disclosure, there was no significant change in the fair value of the Company’s financial instruments and degree of exposure to credit risk, liquidity risk and market risk arising from financial instruments. For the related information, please refer to note 6(14) of the financial statement for the year ended December 31, 2025.

A. Credit risk

(a) Exposure of credit risk

The carrying amount of financial and contract assets represents the maximum credit exposure.

(b) Concentration of credit risk

The major customers of the Company are centralized in the electronics industry. As of September 30, 2026, December 31, 2025 and September 30, 2025, the Company's notes and account receivable (including related parties) were both concentrated on 5 customers, whose accounts represented 85%, 76% and 74% of the account receivables, respectively. For the information of credit risk exposure of notes and accounts receivable, please refer to note 6(2).

As of September 30, 2026, December 31, 2025 and September 30, 2025, the Company's cash in bank and time deposits were both concentrated on one financial institution, whose accounts represented 45%, 49% and 45% of the cash and cash equivalents and other financial assets, respectively. Thus, credit risk is significantly centralized. To reduce cash risk, the Company evaluates financial institutions' financial positions and credit rating periodically. After the assessment, management does not expect significant losses.

(c) Credit risk of financial assets measured at amortized cost.

The Company financial assets at amortized cost include cash and cash equivalents, notes and receivables, and time deposits on other financial assets. About their information of credit risk exposure, please refer note 6(1) and (2).

The above-mentioned of financial assets are considered to be of low risk, and thus, the impairment provision recognized during the period was limited to 12 months expected losses. For the Company's assessment on whether credit risk is to be of low risk, please refer note 4(6) of the financial statements for the year ended December 31, 2025.

B. Liquidity risk

The following table shows the contractual maturities of financial liabilities, including estimated interest payments impact.

	Carrying amount (Contractual cash flows)	Within 6 months
September 30, 2026		
Non-derivative financial liabilities		
Accounts payable	$ 83,179	83,179
Payables to contractors and equipment	11,916	11,916
	$ 95,095	**95,095**

Accounts payable	$ 57,270	57,270
Payables to contractors and equipment	67,128	67,128
	$ 124,398	**124,398**

The Company did not expect that the cash flows included in the maturity analysis could occur significantly earlier or at significantly different amounts.

C. Currency risk

(a) The Company’s significant exposure to foreign currency risk was as follows:

	September 30, 2026			December 31, 2025			September 30, 2025		
	Foreign Currency	Exchange Rate	NTD	Foreign Currency	Exchange Rate	NTD	Foreign Currency	Exchange Rate	NTD

Monetary items									
USD	756	31.900	24,116	294	31.480	9,255	677	30.495	20,645
JPY	87,684	0.2050	17,975	19,668	0.2028	3,989	49,436	0.2078	10,273

(b) Sensitivity analysis

The Company's exposure to foreign currency risk arises from the translation of the foreign currency exchange gains and losses on cash and cash equivalents, accounts receivable, other receivables, accounts payable, and other payable that are denominated in foreign currency. Depreciation or appreciation of the NTD by 1% against USD and JPY at September 30, 2026 and 2025, while all other variables were remained constant, would have increased (decreased) the net profit after tax by $4,007 thousand and $1,806 thousand, respectively. The analysis is performed on the same basis for both periods.

(c) Gains or losses on monetary item

The foreign exchange gains and losses (including realized and unrealized) on monetary items of the Company, translated into New Taiwan Dollars (NTD) as the functional currency, are as follows：

	Nine months ended September 30			
	2026		2025	
	Foreign exchange gain (loss)	Average exchange rate	Foreign exchange gain (loss)	Average exchange rate
NTD	**$ 6,274**	**-**	**(20,826)**	**-**

D. Interest rate risk

Please refer to the attached note for the liquidity risk and the Company's interest rate exposure to its financial liabilities.

The following sensitivity analysis is based on the risk exposure to interest rates on the derivatives and non-derivatives financial instruments on the reporting date. For variable rate instrument, the sensitivity analysis assumes the variable rate liabilities are outstanding for the whole year on the reporting date. The Company's internal management reported the increases (decreases) in the interest rates and the exposure to changes in interest rates of 1% is considered by management to be a reasonable change of interest rate.

The Company's exposure to interest rate risk arises from the bank deposit interest rates change. If the interest rate had increased (decreased) by 1%, the Company's net profit after tax would have increased (decreased) by $10,298 thousand and $13,144 thousand for the nine months ended September 30, 2026 and 2025, all other variable factors that remain constant.

E. Fair value

The carrying amounts of the Company's non-derivative financial instruments-current, including financial assets at amortized cost , such as cash and cash equivalents, notes and receivables (including related parties), and other financial assets, and financial liabilities at amortized cost, such as accounts payable and payables to contractors and equipment, were considered to approximate their fair value due to their short-term nature.

(15) Financial risk management

There were no significant change in the Company's financial risk management and policies as disclosed in note 6(15) of the financial statements for the year ended December 31, 2025.

(16) Capital management

The objectives and policies of capital management of the Company have been applied consistently with those described in the financial statements for the year ended December 31, 2025. Also, there were no significant changes in the Company's capital management information as disclosed in the financial statements for the year ended December 31, 2025. Refer to note 6(16) of the financial statements for the year ended December 31, 2025 for the relevant information.
